RULE 73 MOTION FOR AN AWARD OF ATTORNEY FEES

Tier III

No. 210500045

Judge Jennifer A. Mabey

Pursuant to Utah Rule of Civil Procedure 73, Plaintiff Mustang Development, LLC ("Mustang") hereby submits this Motion (the "Motion") moving the Court to enter a judgment against Defendant Town of Hideout ("the Town" or "Hideout") for the attorney fees incurred in bringing and litigating its underlying action.

ARGUMENT

Mustang filed this lawsuit against the Town in order to enforce and affirm its right to develop 1,975 residential dwelling units under the Master Development Agreement ("MDA"). See Compl., May, 7, 2021, Dkt. 1; First Amend. Compl., Aug. 25, 2021, Dkt. 28; Second Amend. Compl., Jan. 13, 2023, Dkt.163; see also MDA ¶ 13. As part of the lawsuit and pursuant to the

MDA's Attorney Fee provision, Mustang sought "an award of [its] attorney fees." *See* Second Amend. Compl., 20, Dkt. 163; MDA ¶ 26 ("In addition to any other relief, the prevailing party in any action, whether at law, in equity or by arbitration, to enforce any provision of this MDA shall be entitled to its costs of action including a reasonable attorneys' fee.").

On August 26, 2025, the Court heard oral argument on Mustang's Motion for Summary Judgment (the "MSJ") and the Town's Cross-Motion for Summary Judgment (the "Cross-MSJ"). *See* MSJ, Feb. 4, 2024, Dkt. 304; Cross-MSJ, Feb. 25, 2024, Dkt. 321. The Court ruled that Mustang was the prevailing party in this action to enforce its development rights under the MDA—and thus, that Mustang was entitled to an award of its attorney fees.

On October 3, 2025, the Court entered a related Order regarding Mustang's MSJ and the Town's Cross-MSJ (the "Order"), which "[g]rant[ed] Mustang's summary judgment [motion] as it pertain[ed] to Mustang's request for attorney fees in having brought this action." *See id.* at 5. In the Order, the Court specifically instructed the parties that "[t]he amount of fees [to be awarded] shall be established via an appropriate motion and affidavit pursuant to Rule 73 of the Utah Rules of Civil Procedure." *See id.* at 5. Accordingly, Mustang now files the instant Motion and related exhibits, which set forth the attorney fees incurred in bringing the Declaratory Judgment Action.

ARGUMENT

I. <u>Under Rule 73 and the Court's Order, Mustang is Entitled to an Award of its Attorney Fees in Bringing the Declaratory Judgment Action.</u>

Pursuant to Rule 73(b), Mustang's Motion sets forth the following information:

- (b)(1) the statute, rule, contract, judgment, or other basis entitling the party to the award;
- (b)(2) if the court orders, the terms of any agreement about fees for the services for which the claim is made;
- (b)(3) factors showing the reasonableness of the fees, *if applicable*;
- (b)(4) the amount of attorney fees claimed and any amount previously awarded; and

4925-3026-7504.v1 2

(b)(5) if the attorney fees are for services rendered to an assignee or a debt collector, the terms of any agreement for sharing the fee and a statement that the attorney will not share the fee in violation of Rule of Professional Conduct 5.4.

See Utah R. Civ. P. 73(b) (cleaned up) (emphasis added).

Rule 73(b)(1) – Basis of Award. Mustang's Motion is based on the contract between the parties, the MDA and the Court's Order, wherein "the Court grant[ed] Mustang's summary judgment [motion] as it pertain[ed] to Mustang's request for attorney fees in having brought this action." *See* Ord., 5, Dkt. 381; *See* MSJ, 14, Dkt. 304 ("Mustang should be awarded its attorney's fees as the prevailing party.").

Rule 73(b)(2) – Terms of the Agreement. The Court did not order that Mustang provide "the terms of [the] agreement about fees for the services for which the claim is made." *See id.*; Utah R. Civ. P. 73(b)(2). In any event, Mustang and its Counsel used an industry standard hourly rate service contract, further details of which are described in the Affidavit of Attorney Fees, attached as **Exhibit A**. To the extent that the Court requires any additional information on this agreement, Plaintiff's Counsel is happy to supplement this Motion and/or the Affidavit.

Rule 73(b)(3) – Reasonableness of Fees. Mustang's attorney fees are fair and reasonable. As set forth in the Affidavit of Attorney Fees, Plaintiff's Counsel's offers its clients high-quality legal services at fair, reasonable, and customary billing rates. *See* Affidavit of Attorney Fees, Ex. A; *Bimbo Bakeries USA v. Sycamore et al.*, 2:13CV00749 (D. Utah Mar. 5, 2019) ("Based upon the evidence presented . . . Parsons Behle Latimer attorneys' billing rate is consistent with the rates customarily charged in Utah."). Further, Plaintiff's Counsel's time spent in bringing and successfully litigating the Declaratory Judgment Action was reasonable given his experience in this legal market, and proportional to the importance of this litigation for Mustang. *See* Affidavit of Attorney Fees, Ex. A. Indeed, this Declaratory Judgment Action sought to remedy "economic

4925-3026-7504.v1 3

damages . . . in the form of reduced property values and lost revenue in the amount of no less than \$100,000,000," and required Mustang's Counsel to prepare and file (or instead, to review, analyze, research, and respond to) numerous briefs submitted over the four and a half year duration of the case. *See* Second Amend. Compl., 18, Dkt. 163.

Rule 73(b)(4) – Amount of Attorney Fees. Mustang seeks an award of attorney fees in the amount of \$296,091.90 and costs in the amount of \$8,061.50. A detailed a Statement of Attorney Fees and Costs is attached as Exhibit B —which provides a description of the work performed on this case, the time spent on the work performed, the person(s) and hourly rate of person(s) who performed the work, and costs incurred. The prejudgment interest at the statutory rate on this amount is \$48,821.81. The total is \$352,975.21. To the extent that the Court requires any additional information on these entries, Plaintiff's Counsel is happy to supplement this document.

Rule 73(b)(5) – Sharing of Fee. Mustang's Motion does not seek attorney fees for services rendered to an assignee or a debt collector. Notwithstanding, Plaintiff's Counsel hereby certifies that they will not share any attorney fees award in violation of Rule of Professional Conduct 5.4. Rather, Mustang's award of attorney fees will merely reimburse it for significant expense it has incurred to enforce its proper development rights under the MDA.

CONCLUSION

Based on the foregoing, Mustang respectfully requests that the Court enter an order requiring the Town to pay all attorney fees incurred in bringing and litigating the Declaratory

4925-3026-7504.v1 4

¹ While Mustang recognizes that this is a substantial sum, it seeks to emphasize that that "[the Town] created the situation that necessitated the filing of a lawsuit in the first place" and these fees are fair, reasonable, and proportional to the importance of this litigation. *See* Ord., 3, Oct. 3, 2025, Dkt. 381.

AFFIDAVIT OF ATTORNEY FEES

Tier III

No. 210500045

Judge Jennifer A. Mabey

- I, Scott DuBois, hereby declare as follows:
- 1. I graduated from University of Texas at Austin School of Law in 1996.
- 2. I am an attorney licensed to practice law in the State of Utah, and I have been a member of the Utah State Bar in good standing since October 1996.
- 3. Between March 2020 and June 2022, I worked as a Shareholder at the law firm of Jones Waldo Holbrook &McDonough, P.C. ("Jones Waldo").
- 4. Since June 2022, I have worked as a Shareholder at the law firm of Parsons Behle & Latimer ("Parsons Behle").

- 5. In August 2020, Plaintiff Mustang Development, LLC ("**Mustang**") retained Jones Waldo to represent it in this lawsuit and in June 2022, the matter was transferred to Parsons Behle. *See* Notice of Change of Address and Firm Affiliation, June 7, 2022, Dkt. 99.
- 6. As part of this litigation, I have relied on the services of several other attorneys: Adam L. Bondy, Karthik N. Sonty, Alexander Chang, Andres Morelli, John Ternieden, Christian Vanderhooft and Jared Fields.
 - 7. I also relied on the services of paralegal Jacqueline H. Pope.
- 8. Mr. Bondy previously worked as an Associate at Jones Waldo and Parsons Behle, and currently works a Shareholder at Parsons Behle.
 - 9. Mr. Sonty is an Associate at Parsons Behle.
 - 10. Mr. Chang is an Associate at Parsons Behle.
 - 11. Mr. Morelli is an Associate at Parsons Behle.
 - 12. Mr. Ternieden was an Associate at Jones Waldo.
 - 13. Mr. Vanderhooft was an Associate at Parsons Behle.
- 14. Mr. Fields acted as counsel for Mustang, and was formerly an experienced attorney with the firm of Snell & Wilmer.
 - 15. Ms. Pope worked as a paralegal at Parsons Behle.
- 16. My hourly rates throughout this litigation have ranged from \$361.00 per hour to \$490.00 per hour. This is a significantly discounted rate, as my current regularly charged rates for clients are between \$550.00 and \$675.00 per hour.
- 17. Mr. Bondy's hourly rates throughout this litigation have ranged from \$360.00 per hour to \$450.00 per hour.
 - 18. Mr. Chang's hourly rate throughout this litigation has been \$325.00 per hour.

- 19. Mr. Morelli's hourly rates throughout this litigation have ranged from \$355.00 per hour to \$435.00 per hour.
 - 20. Mr. Ternieden's hourly rate throughout this litigation has been \$345.00 per hour.
 - 21. Mr. Vanderhooft's hourly rate throughout this litigation has been \$335.00 per hour.
 - 22. Mr. Fields' hourly rate was \$350.00 per hour.
 - 23. Ms. Pope's hourly rate throughout this litigation has been \$215.00 per hour.
- 24. Mr. Sonty's hourly rates throughout this litigation have ranged from \$340.00 per hour to \$375.00 per hour.
- 25. Based on my experience practicing law in Utah, I believe that the above billing rates are fair, reasonable, and consistent with the customary market rates for similar legal services in the Salt Lake City metropolitan area. *See Bimbo Bakeries USA v. Sycamore et al.*, 2:13CV00749 (D. Utah Mar. 5, 2019) ("Based upon the evidence presented . . . Parsons Behle Latimer attorneys' billing rate is consistent with the rates customarily charged in Utah.").
- 26. In this lawsuit, Mustang sought to affirm and enforce its development rights under the Master Development Agreement ("MDA"). *See* Compl., May, 7, 2021, Dkt. 1; First Amend. Compl., Aug. 25, 2021, Dkt. 28; Second Amend. Compl., Jan. 13, 2023, Dkt.163.
- 27. Under the MDA, "In addition to any other relief, the prevailing party in any action, whether at law, in equity or by arbitration, to enforce any provision of this MDA shall be entitled to its costs of action including a reasonable attorneys' fee." *See* MDA, ¶ 26.
- 28. Thus, in its Complaint, Mustang "respectfully pray[ed] for . . . an award of Plaintiff's attorney fees." *See* Second Amend. Compl., 20, Dkt. 163.¹

3

4914-2192-2672.v1

¹ The Town also sought an award of its fees in this matter.

- 29. On August 26, 2025, the Court heard oral argument on Mustang's Motion for Summary Judgment (the "MSJ") and the Town's Cross-Motion for Summary Judgment (the "Cross-MSJ"). See MSJ, Feb. 4, 2024, Dkt. 304; Cross-MSJ, Feb. 25, 2024, Dkt. 321.
- 30. At the hearing, the Court determined that Mustang was the prevailing party in an action brought to enforce its development rights under the MDA—and accordingly, Mustang was entitled to an award of its attorney fees.
- 31. On October 3, 2025, the Court entered its Order Regarding Plaintiff's MSJ and Defendant's Cross-MSJ (the "Order"). *See* Ord., Oct. 3, 2025, Dkt. 381.
- 32. In its Order, the Court "Grant[ed] Mustang's summary judgment [motion] as it pertains to Mustang's request for attorney fees in having brought this action," and it explained that "[t]he amount of fees shall be established via an appropriate motion and affidavit pursuant to Rule 73 of the Utah Rules of Civil Procedure." *See id.* at 5.
- Exhibit B, enumerating all attorney fees and costs incurred in bringing and litigating the Declaratory Judgment Action. Specifically, Exhibit B includes a description of the work performed, the time spent on the work performed, and the person and hourly rate of persons who performed the work. It also summarizes the costs incurred in this matter. To the extent that the Court requires additional information on these fees, I would be happy to supplement this document.
- 34. Based on my experience practicing law, I believe the time spent in bringing Mustang's Declaratory Judgment Action was fair, reasonable, and proportional to the importance of this litigation, and I believe that the attorneys working on this matter and I have represented Plaintiff competently and successfully. *See* Second Amend. Compl., 18, Dkt. 163

4914-2192-2672.v1 4

Based on the Court's Order and Exhibit B, I hereby respectfully request that the 35.

Court enter a judgment against Defendant Town of Hideout ("the Town") for the attorney fees in

bringing Mustang's Declaratory Judgment Action in an amount of \$296,091.90, costs in the

amount of \$8,061.50 and prejudgment interest at the statutory rate in the amount of \$48,821.81 for

a total of \$352,975.21.
